Declaration

Every year we collect feedback forms from students, teachers, parents and alumni students. After the collection of the forms the IQAC goes through these feedback forms carefully. At general level the suggestions made by the students are taken into account and in general staff meetings, head of the departments meetings and CDC meetings these impressions given by the students are discussed in details. And accordingly, the suggestions are percolated to teachers. Similarly, suggestions regarding campus developments are also taken seriously and necessary measures are taken in that direction.
