POLLENGRAIN SOFTWARE SOLUTIONS LIBRARY MANAGER

Contents

- For Buyers of LIBRARY MANAGER refer to
POLLENGRAIN SOFTWARE SOLUTIONS PROGRAM LICENSE AGREEMENT

Buying this package indicates your acceptance of these terms and conditions in the License Agreement. This product is provided by Pollengrain Software Solutions, India either directly or through its distributor and is licensed by PSS only upon these terms and conditions. This is a legal agreement between the licensee and PSS. PSS reserves the right to take suitable legal action in case of any violations. DO NOT install or use GIST-SDK if you are not sure that you have paid for this copy of POLLENGRAIN SOFTWARE SOLUTIONS.

LICENSE

1. The Licensee assumes the full responsibility for the selection, installation and use of the program. PSS does not assume any direct/indirect damages ensuing from the use of the product.
2. Copies of the program and the manual can be made only for backup purposes and non-commercial personal usage. Any copy made must include all copyright and proprietary information notices appearing on the copy provided herein. Such a copy if later on used for commercial purpose will be treated as illegal.
3. The licensee may transfer the product (only with prior approval of PSS), all its upgrades and license to another party if the other party agrees to accept the terms and conditions of this agreement. PSS must be informed to get this license transferred to the other party.
4. The licensee may add to or merge the program or part of it, into another program for his own use. However the licensee cannot distribute any part of these programs merged along with his programs, without the permission of the PSS. The same applies for the manuals supplied with the product.

WARRANTY

1. The product is warranted for a period of one year, from the date of purchase.
2. The licensee will receive a replacement for a defective media by sending it to PSS, during the warranty period. PSS reserves the right to charge for the replacement, if it observes that the defects are due to negligence or misuse.
3. PSS may send free upgrades for the software during the warranty period. This excludes the major software releases and upgrades. For purpose of improving the product, PSS reserves the right to change specifications as it deems fit, with out giving any notice.
4. The complexity of this product makes it impossible to guarantee that it is error free. However PSS will provide the error corrections in a timely manner, given that sufficient information is available to identify the problem.

SUPPORT AND BENEFIT TO LICENSEES

1. The major releases of the software, and upgrades will be provided at a discount.
2. The licensee will be put on the mailing list, for keeping them informed about the new products and applications.
3. Verbal/written queries will be accepted, if any from the licensees.
4. PSS welcomes suggestions for the product improvement and problem removal. On it's own discretion and basis of merit, it may give free copies of the software incorporating these suggestions, to the licensee.

LICENSE

1. The License assumes the full responsibility for the selection, installation and use of the program. PSS does not assume any direct/indirect damages ensuing from the use of the product.
2. The licensee may not modify the program or any part of it.
3. The licensee may use this evaluation copy only for incorporating evaluation version of his/her software and LICENSEE is not authorised to transfer the resulting software for sale or commercial benefit.

WARRANTY

1. Since it is a evaluation copy, it carries no warranty.
2. The complexity of this product makes it impossible to guarantee that it is error free. However PSS will provide the error corrections in a timely manner, given that sufficient information is available to identify the problem.

SUPPORT AND BENEFIT TO LICENSEES

1. The licensee will be put on the mailing list, for keeping them informed about the new products and applications.
2. Verbal/written queries will be accepted, if any from the licensees.
3. PSS welcomes suggestions for the product improvement and problem removal.
