V) Overall comments of the Coordinator:

SSVP Sanstha's Arts and Commerce College is located in a socially and economically backward region of Dhule district in Maharashtra. It is also called as tribal district. It is a good sign that UGC has introduced Remedial Coaching Scheme for SC/ST/OBC and Minority Students. With the financial support colleges started this scheme for the students who are economically weaker sections of the society. However, this support gives them energy and encouragement to live their life and achieve their goals. The Remedial Coaching improves Academic skills and linguistic proficiency of the students in English subject. In brief, the Remedial Coaching Scheme conducted smoothly and regularly as per the time-table.

Remedial Coaching for SC/ST/OBC and Minority Students

Appraisal Report: 2015-16

S.S.V.P. Sanstha's Arts and Commerce College commenced Remedial Coaching for SC/ST/OBC and Minority Students during the year 2015-16. The Remedial Coaching Scheme became very useful particularly tribal and rural part of the students. Our most of the students belonging to the tribal and rural part of the areas and they seems that English is milk of tigriss. Even our Teachers regularly participated in UGC sponsored Remedial Coaching Classes for students belonging to SC/ST/OBC and Minority communities as well as financially backward class to minimize the drop-out rate and facilitated the students to complete the course.

I) The Remedial Coaching Classes was started for the Academic Year 2015-16. There was 130 periods were taken during the year by respective teachers. Out of which 96 periods engaged for F.Y.B. A. and 34 periods engaged for F.Y.B.Com classes regularly. For the coaching scheme 163 students who actually participated. Among the total number of students, 125 for F.Y.B.A. and 38 for F.Y.B.Com attended programme.

II) The total 68 students appeared in the examination. Out of which 40 for F.Y.B.A. and 28 for F.Y.B.Com students actually appeared in the examination.

III) The students show interest in the Remedial Coaching Scheme. Simultaneously, they developed their confidence and gets command over English language. Near about 48 students crack the Remedial Test successfully with their regular study.

IV) The list of Teachers who tutored with their names and disciplines are as follows:

Sr. No.	Name of the Faculty	Subject
1.	Asst.Prof. Deepak S. Chaudhari	English
2.	Asst.Prof. Sambhaji V. Narute	English
3.	Asst.Prof. Deepak D. Deore	English
4.	Asst.Prof. Bhausahab S.Desale	English

V) Overall comments of the Coordinator:

In India there are two types of classes, one is rich and another is poor. The same situation we can see in the education system. Aristocratic class gets higher education in the abroad. On the other hand, another class who is economically backward could not get this kind of education. So my point is that UGC has taken good decision to provide quality education through Remedial Coaching Scheme to the needy, poor, tribal and backward students. This scheme provides them stronger foundation for further study. Even this course raised their level of comprehension of basic subjects and developed their sense of abilities.

V) Overall comments of the Coordinator:

We are living in the age of globalization, privatization and competitive world. Everyone wants to maintain their status through money and linguistic performances. If anybody wants to maintain linguistic abilities then he or she should have to get quantitative and qualitative knowledge through college. Therefore, UGC provides financial support to the colleges through Remedial Coaching Scheme for SC/ST/OBC and Minority students. This scheme motivates students for their sincere curiosity as well as in the study. It improves communication and professional skills of the students. Indeed, this coaching scheme became beneficial to the students while appearing to University and competitive examinations.

5) Overall comments of the Coordinator:

SSVP Sanstha's Arts and Commerce College is located in a socially and economically backward region of Dhule district in Maharashtra. It is also called as tribal district. It is a good sign that UGC has introduced Coaching for SC/ST/OBC (Non-Creamy layer) and Minority Community Students. With the financial support colleges started this scheme for the students who are economically weaker sections of the society and the students who ignored about competitive examination. However, this support gives them energy and encouragement to live their life and achieve their goals. The Coaching improves Academic skills and awareness of the students in various subjects. In brief, the Coaching Scheme conducted smoothly and regularly as per the time-table.

When we displayed notice on the notice board at that time Minority Students are less interested to enroll their names in the Coaching Classes. As compared to OBC students SC and ST students who are not much interested to participate in the Coaching Schemes.
