## Students Feedback Analysis and Action Taken Report

Feedback of the students have been collected every academic year. Out of the total strength of the students, approximately 10% of the feedback is collected. The main focus is covered in the form of course evaluation, teacher evaluation, institutional infrastructure, etc. The committee designs and collect online feedback forms from students on several aspects of curriculum and its learning related issues in terms of quality, competence and skills. The report of feedback analysis is submitted to the principal via IQAC for necessary action and to comply with the issues raised by the learners.

Total no of samples collected:

### Action Taken Report:

- The suggestions taken in the college meeting and teacher must teach career oriented in their subject. College introduced skill enhancement courses in the curriculum to improve the practical exposure on the different aspects.
- The teachers are informed to perform the role of mentor for the students
- Library facility is made available
- The college has availed the facility of aqua guard facility along with all necessary facilities.
